At inspection I was accompanied with proposed Chief organizer Mr. Aleksander Sokólski.

Jastrzebia Góra

is a nice village (over one thousand inhabitants) on the south coast of the Baltic Sea in northern Poland. It lies approximately 7 km north-west of Władysławowo, 14 km north-west of Puck, and 55 km north-west of the regional capital Gdańsk.

Basis of the inspection was the official bid of the Polish Chess Federation from 30th April 2018.

Tournament hall:

Hotel VIS Jastrzebia Góra

The size of main halls, which are in the first floor(240 sqm) and directly under in the ground floor(190 sqm) of the hotel, is 430 sqm. The light conditions and the number of toilettes (8+3) are quite sufficient, but organizer promised to work on it.. There is foyer near the main playing halls which can be used for the event as an office. In addition there is a very nice conference room (80sqm), which should be used for analyzes. The management of the hotel confirmed, that the whole complex is ready to be used just for the championship.

Quality of hotels:

Hotel VIS Jastrzebia Góra

is located only 250 m from the sandy Baltic Sea beach. Free Wi-Fi access is available in all areas of this resort. There are two buildings with 147 rooms (each room with TV, a desk and a chair for 1-3 person, out of this is 25 rooms with balcony, plus there is also 12 apartments) at *** level. You will find there a 24-hour front desk, a bar and a snack bar. At a surcharge, it is possible to use the on-site sauna, fitness centre and solarium. Full board will be available for 45 € per person in triple room, 55 € per person in double room and 75 € per person in single room. The price includes use of sauna and gym in hotel area. Buffet menu will be served with breakfast, lunch and dinner, special meals for vegetarian or people with special needs..

Airport connections:

International airport in Gdansk, 60 km – 1hour from the venue.

Conclusion:

Taking into account that playing hall is a part of Hotel VIS Jastrzebia Góra, which stands in calm area near the Baltic Sea, it is obvious that Jastrzebia Góra will be a very good venue for this championship.
